WHERE'S MY HEAD AT? It is pretty well-known by now that there is a portal to dark and perverse worlds at Sterput. Thanks to "Là-bas", it will now take you back to a medieval setting.

ARE WE GOING ON A WITCH HUNT? Sort of. The French-Belgian Körper collective – along with roguish people like Benjamin Monti and Bryan Beast – is brewing a stiff hallucinogenic around the historical figure Gilles de Rais, a hero of the Hundred Years' War who ultimately (wrongfully?) was strung up for infanticide, Satanism, and sodomy. In short: a small ray of light in this darkest of ages.
